

CUMBERLAND COUNTY

Citizen Needs Assessment Survey

Planning Period: July 1, 2015 – June 30, 2020

During the next five years, Cumberland County will receive grant funds from the U.S. Department of Housing and Urban Development (HUD). Every five years, Cumberland County Community Development (CCCD) prepares a Consolidated Plan (5-year strategic plan) that outlines the needs in the community and how the County proposes to address those needs with the funding provided by HUD. By voicing your opinion on this survey, CCCD will be able to better serve your community. All questions are optional.

As you complete this survey, please consider the needs in your community and how they can be improved. If you have concerns/suggestions that you would like to discuss further, or if you would like to learn more about the programs offered through CCCD, give us a call at (910) 323-6112. Please return completed surveys by March 31, 2015 to: Cumberland County Community Development, 707 Executive Place, Fayetteville, NC 28305. You may also send via fax to (910)323-6114 or email to dtaylor@co.cumberland.nc.us.
